

From the Makers of the Original Stretch-to-Fit Protective Cover

Made in the USA* utilizing stretch-fabric technology and innovative fastening systems.

Patent Pending NoviStretch™ Performance Protective Covers are designed to provide quality paint protection with incredible ease of use.

Protective

Durable, quality material protects the painted surface from common daily wear, while breathable synthetic mesh allows for the greatest surface coverage without creating operating temperature issues.

Easy Installation and Removal

"Snap & Strap®" Fastening systems allow for quick and easy installation and removal of the mask or cover with no cutting, drilling or permanent alteration to the vehicle required.

Performance Protective Covers

Easy On. Easy Off. Easy Care.

Tight Fit

Stretchable fabric allows for a tight, secure, contoured fit around front bumper or side-mirror without damaging clear-coat paint finish by rubbing or chaffing.

Compact and Washable

Stretchable, synthetic, mesh fabric and unique design allow for easy cleaning, quick drying and compact storage when not in use.
