RSC™ TECHNOLOGY
ELIMINATES INTERIOR DRONE
DISTINCTIVE PERFORMANCE SOUND
STRAIGHT-THROUGH,
NONRESTRICTIVE DESIGN
MAXIMUM HORSEPOWER GAIN

No Other Exhaust Manufacturer Delivers All Four:

- COMFORTABLE NO-DRONE INTERIOR**

Your exhaust is whisper quiet at highway speeds due to CORSA's Patented Reflective Sound Cancellation™ (RSC™) Technology.

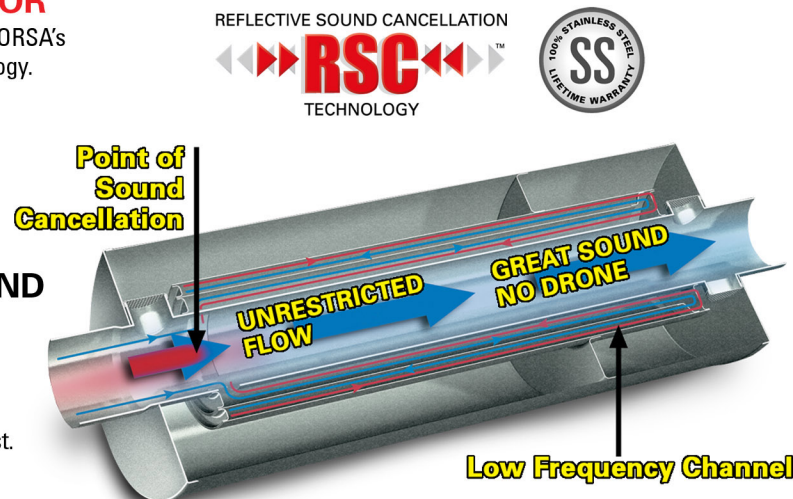

- INCREASED HORSEPOWER AND TORQUE**

A straight-through, nonrestrictive design results in increased flow and less backpressure.

- DISTINCTIVE PERFORMANCE SOUND**

You'll experience superior sound as CORSA tunes in the good sounds and cancels the bad. All of this without the use of baffles or steel wool packing material.

- SUPERIOR FIT** Designed to fit right. Goes on fast. Easy bolt-on installation.
